Everlasting

Remy Shand

My reflection of all the things you would say
And the hopeless vision of how you move me that wayOh. ..But everybody see's someone ....
How these contridictions got me out of my headFor understanding, let me lay it on the line
For all decisions, we ain't got but a little time
A-all you needed, you can't say that I didn't try
You're everasting and I would do it over againnnn
Do it over again .. oooo oooo ooooAll or nothin' baby, is a feeling I know,
This contemplation's turning up on it's own
Ohhh your body 's churnin', when livin' is rough
But are you yearnin' or are you givin' it upFor understanding, let me lay it on the line
For all decisions we ain't got but a little time
A-all you needed, you can't say that I didnt try
You're everasting and I would do it over again
Do it over again
oooo oooo ooooDevine emotion
Sactified and true
Ohhh what's worth saving if your not feelin' it too
No compromisin' could be ready for change
If your feigning with devotion
and know it's never too lateFor understanding, let me lay it on the line
For all decisions we ain't got but a little time
A-all you needed, you can't say that I didnt try
You're everastiing and I would do it over again
Do it over again
oooo oooo ooooFor understanding, let me lay it on the line
For all decisions, we ain't got but a little time
A-all you needed, you can't say that I didnt try
You're everasting and I would do it over again
Do it over again
oooo oooo oooo
