If I Lost Her

Joe Diffie

Darlin', as I look at you
It reminds me of how much in love I am
Oh, I'm a lucky manIt won't mean love that's in your eyes
Only makes me realize where I should be
And it's time to leave'Cause you've made me think of her
And what our love was worth, she's all I'll ever need
And I appreciate the drink and thank you for the dance
And the chance to see, if I lost her, I couldn't live with meI can't remember what it was
That made me say those hurtin' words tonight
What a silly fightSo at the risk of being rude
I'll say goodbye and promise you
I won't forget what you just did'Cause you've made me think of her
And what our love was worth, she's all I'll ever need
And I appreciate the drink and thank you for the dance
And the chance to see, if I lost her, I couldn't live with meAnd I appreciate the drink and thank you for the dance
And the chance to see, if I lost her, I couldn't live with me
