

# Stronger Through the Years

## Roxy Music

Through the undercover hour  
Bad and bleak  
To be brief, too much sorrow  
And flesh is weak  
No more feelings  
No more tearsThe river's wide enough  
Flowing stronger through the years  
Silver lips, kisses borrowed  
Glances steal  
Too quick, how they quiver  
Too late they're sealed  
No more feelings  
No more tearsThe river's wide enough  
Flowing stronger through the years
