Angie

Gordon Giltrap

Angie, Angie
When will those clouds all disappear?
Angie, Angie
Where will it lead us from here?
With no lovin' in our soul and no money in our coats
You can't say we're satisfied
But Angie, Angie
You can't say we never tried

Angie, you're beautiful
But I hate that sadness in your eyes
Angie, I still love you baby
Remember all those nights we cried
All the dreams were held so close
Seemed to all go up in smoke
Let me whisper in your ear
Angie, Angie
Where will it lead us from here? Yeah

All the dreams we held so close
Seemed to all go up in smoke
Hate that sadness in your eyes
But Angie, I still love you baby
Everywhere I look I see your eyes
There ain't a woman that comes close to you
Come on baby dry your eyes
But Angie, Angie
Ain't it good to be alive
Angie, Angie, you can't say we never tried
