Spaghetti

Doctr

I donâ€™t need to be impressive, I donâ€™t need to run the game
I donâ€™t want to keep on chasing, maybe I'll just go my way

Ayeee ee ayee ee everythingâ€™s gonna be alright, alright

I donâ€™t need no bumpin music, all I need is my guitar
I donâ€™t need no late night cruisin, I donâ€™t even got a car

Like ayeee ee ayee ee everythingâ€™s gonna be alright, alright

I wanna lay low, not just 'cause Iâ€™m broke
I wanna stay home and have a kick back, tonight.
Sorry not sorry, am I (I, I)

Letâ€™s ditch the party and call everybody
And weâ€™ll make spaghetti and itâ€™d be all ready
Ayeee ee ayee ee everythingâ€™s gonna be alright, alright
So donâ€™t fear tomorrow, let that be the motto
And just pass the bottle and weâ€™ll make it hotter
Like ayeee ee ayee ee everythingâ€™s gonna be alright, alright tonight

I donâ€™t need no debby downer, I just wanna keep my buzz
I donâ€™t wanna no melodrama, I donâ€™t gotta trip because

Ayeee ee ayee ee everythingâ€™s gonna be alright, alright

I wanna lay low, not just 'cause Iâ€™m broke
I wanna stay home and have a kick back, tonight.
Sorry not sorry, am I (I, I)

Letâ€™s ditch the party and call everybody
And weâ€™ll make spaghetti and itâ€™d be all ready
Ayeee ee ayee ee everythingâ€™s gonna be alright, alright
So donâ€™t fear tomorrow, let that be the motto
And just pass the bottle and weâ€™ll make it hotter
Like ayeee ee ayee ee everythingâ€™s gonna be alright, alright tonight

Aye aye, alright, everythingâ€™s gonna be alright
Aye aye, alright, everythingâ€™s gonna be alright
Aye aye, alright, everythingâ€™s gonna be alright

Aye aye, alright, everythingâ€™s gonna be alright

Letâ€™s ditch the party and call everybody
And weâ€™ll make spaghetti and itâ€™d be all ready
Ayeee ee ayee ee everythingâ€™s gonna be alright, alright
So donâ€™t fear tomorrow, let that be the motto
And just pass the bottle and weâ€™ll make it hotter
Like ayeee ee ayee ee everythingâ€™s gonna be alright, alright tonight

Letâ€™s ditch the party and call everybody
And weâ€™ll make spaghetti and itâ€™d be all ready
Ayeee ee ayee ee everythingâ€™s gonna be alright, alright
