

# love the way you lie

## Eminem Feat. Rihanna - Love The Way You Lie (Remix)

Just gonna stand there and watch me burn  
Well that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
Well, that's alright because I love the way you lie  
I love the way you lie  
I can't tell you what it really is, I can only tell you what it feels like  
And right now there's a steel knife in my windpipe  
I can't breathe but I still fight while I can fight  
As long as the wrong feels right it's like I'm in flight  
High off of love, drunk from my hate  
It's like I'm huffin' paint and I love it, the more I suffer  
I suffocate and right before I'm about to drown, she resuscitates me  
She fuckin' hates me, and I love it  
Wait, where you going? I'm leaving you, no, you ain't  
Come back, we're running right back, here we go again  
It's so insane, 'cause when it's going good, it's going great  
I'm Superman with the wind at his back  
She's Lois Lane but when it's bad, it's awful, I feel so ashamed  
I snap, "Who's that dude?", I don't even know his name  
I laid hands on her, I never stoop so low again  
I guess I don't know my own strength  
Just gonna stand there and watch me burn  
Well that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
Well, that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie  
You ever love somebody so much, you could barely breathe when you with 'em?  
You meet, and neither one of you even know it hit 'em  
Got that warm fuzzy feeling, yeah, them chills, used to get 'em  
Now you're gettin' fuckin' sick of lookin' at 'em  
You swore you'd never hit 'em, never do nothing to hurt 'em  
Now you're in each others face spewing venom in your words when you spit 'em  
You push, pull each others hair, scratch, claw, bit 'em  
Throw 'em down, pin 'em, so lost in the moments when you're in 'em  
It's the race that took over, it controls you both  
  
So they say you'd best to go your separate ways, guess that they don't know ya  
'Cause today, that was yesterday, yesterday is over, it's a different day

Sound like broken records playing over  
But you promised her, next time you'd show restraint  
You don't get another chance, life is no Nintendo game  
But you lied again, now you get to watch her leave out the window  
Guess that's why they call it "window pane"  
Just gonna stand there and watch me burn  
Well that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
Well that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie  
Now I know we said things, did things that we didn't mean  
And we fall back into the same patterns, same routine  
But your temper's just as bad as mine is, you're the same as me  
But when it comes to love, you're just as blinded  
Baby, please come back, it wasn't you, baby, it was me  
Maybe our relationship isn't as crazy as it seems  
Maybe that's what happens when a tornado meets a volcano  
All I know is I love you too much to walk away though  
Come inside, pick up your bags off the sidewalk  
Don't you hear sincerity in my voice when I talk?  
Told you this is my fault, look me in the eyeball  
Next time I'm pissed, I'll aim my fist at the drywall  
Next time? There won't be no next time  
I apologize, even though I know it's lies  
I'm tired of the games, I just want her back, I know I'm a liar  
If she ever tries to fuckin' leave again, I'ma tie her to the bed  
And set this house on fire  
Just gonna stand there and watch me burn  
Well that's alright because I like the way it hurts  
Just gonna stand there and hear me cry  
Well that's alright because I love the way you lie  
I love the way you lie  
I love the way you lie
