Second City

Sam Shrieve

Letâ€™s go to second city where
Number two was born and raised heâ€™s got
Plan B in action says itâ€™s
Time for his second wave heâ€™s been
Waiting for too long he said letâ€™s go so we go he said
Here we go back out again weâ€™ve got a
Wannabe in the back or two weâ€™ve got
Good â€˜ol boys drinking whisky who
Got a song, you can sing along it goes

La la la la la la la la la la
Iâ€™ve been out now
And everybodyâ€™s singing
La la la la la la la la la la
Iâ€™ve been out now
And here we go again itâ€™s

DÃ©jÃ vu for him again and heâ€™s
Thinking heâ€™s out of place heâ€™s got
Silver around his neck and
Two smiles upon his face heâ€™s been
Watching for old times he said
Letâ€™s go so we go he said
Here we go back out again weâ€™ve got a
Wannabe in the back or two weâ€™ve got
Good â€˜ol boys drinking whisky who
Got a song, you can sing along it goes

La la la la la la la la la la
Iâ€™ve been out now
And everybodyâ€™s singing
La la la la la la la la la la
Iâ€™ve been out now
And here we go again
