

Closer (Karlos K Sound & Alberto Chia Rework)

Kylie Minogue

Nothing, N-nothing N-nothing I like better
Nothing, N-nothing N-nothing I like better
Together, now together N-nothing I like better
Closer Sometimes This feels so right I'm losin' my mind
I wish that we could stop And stop time
Then we could be together All night There's nothing I like better
Getting closer (Closer) Closer (Closer)
Closer, closer, closer Closer, closer
Nothing, nothing Nothing I like better
Together, now together
Nothing I like better Closer (sampling) Somehow I stop myself from cryin' Out loud
When I'm with you 'Cause I'm so proud
To be your only lover And now
There's nothing I like better
