

# Blue Eyes Crying In the Rain

Willie Nelson, Ben Harper & Jack Johnson

In the twilight glow I see  
Blue eyes crying in the rain  
When we kissed goodbye and parted  
I knew we'd never meet again  
Love is like a dying ember  
And only memories remain  
And through the ages I'll remember  
Blue eyes crying in the rain  
Someday soon we'll meet up yonder  
And we'll walk hand in hand again  
And through the ages I'll remember  
Blue eyes crying in the rain  
Blue eyes crying in the rain
