

Say It Loud - I'm Black And I'm Proud

[James Brown](#)

Now we demand a chance to do things for ourself
We're tired of beatin' our head against the wall
And workin' for someone else
We're people, we're just like the birds and the bees
We'd rather die on our feet
Than be livin' on our knees
Say it loud, I'm black and I'm proud
