

# Give It All

## He Is We

Break through the under toe, your hands I can't seem to find

Pollution burns my tongue

Deaf words I can't speak so I stop my struggling

So I float to the surface, fill my lungs with air then let it out I give it all, now there's a reason why I sing  
So give it all, and it's these reasons that belong to me Rock bottoms where we live, and still we dig these trenches

To bury ourselves in them, backs breaking under tension

For far too long these voices, muffled by distances

And it's time to come to our senses, up from the dirt We give it all, now there's a reason why I sing  
So give it all, and it's these reasons that belong to me Breathe, the air we give, the life we live, our pulses racing  
distances

So wet my tongue, break into song, through seas of competition

So please believe your eyes, a sacrifice is not what we had in our minds

I'm coming home tonight, home tonight We give it all, now there's a reason why I sing

So give it all, and it's these reasons that belong to me

Today I offer up myself to this, I'm living for my dying wish

I give it all, now there's a reason, there's a reason, to give it all
