

Ready Aim Fire (OST Iron Man 3)

Imagine Dragons

With our backs to the wall
The darkness will fall
We never quite thought
We could lose it all Ready aim fire
Ready aim fire
An empire is falling
In just one day
You close your eyes
And the glory fades
Ready aim fire
Ready aim fire away
Ready aim fire
Ready aim fire away Off in the distance
There is resistance
Bubbling up and festering
Hey mr motion
Make me a potion
Shake it all up
With your mystery
How come I've never seen
Your face around here
I know every single face
Around here
A man on a mission
Changing the vision
I was never welcome here
We don't have the choice to stay
We'd rather die than
Do it your way With our backs to the wall
The darkness will fall
We never quite thought
We could lose it all Ready aim fire
Ready aim fire
An empire is falling
In just one day
You close your eyes
And the glory fades
Ready aim fire
Ready aim fire away

Ready aim fire
Ready aim fire awayChecking the casing
Shaking and pacing
This is the tunnels life
Blood in the writting
Stuck in the fighting
Look through the riffle's sight
How come I've never seen
Your face around here
I know every single face
Around here
Hearing the echo
Holding the shackle
I was never welcome here
We don't have the choice to stay
We'd rather die than
Do it your wayWith our backs to the wall
The darkness will fall
We never quite thought
We could lose it allReady aim fire
Ready aim fire
An empire is falling
In just one day
You close your eyes
And the glory fades
Ready aim fire
Ready aim fire away
Ready aim fire
Ready aim fire awayOh
Oh oh
Oh
Oh oh oh
Oh oh
OhWith our backs to the wall
The darkness will fall
We never quite thought
We could lose it allReady aim fire
Ready aim fire
An empire is falling
In just one day
You close your eyes
And the glory fades
Ready aim fire
Ready aim fire away
Ready aim fire

Ready aim fire away
