Sirens

The Pack A.D.

Four hundred leagues, down deep below
This horror breeds, moving slow
Six secrets, safe, skulk near my fate
Yeah, right
Shock,
Whoo-whoo, whoo-whoo,
Whoo-whoo, whoo-whoo

My cool apathy for monstrosity
Will keep me whole, my soul
The water's depths can't kill me yet
Yeah, right
Shock,
Whoo-whoo, whoo-whoo,
Whoo-whoo, whoo-whoo

Trapped safe and sound, it looks around
Till it goes free, you needn't fear
Say you trust me, my back has wings
Yeah, right
Shock,
Whoo-whoo, whoo-whoo,
Whoo-whoo, whoo-whoo

Whoo-whoo, shock
Whoo-whoo, shock
