

# Cannibal

Ke\$ha

I have a heart I swear I do  
But just not baby when it comes to you  
I get so hungry when you say you love me  
If you know what's good for you  
I think you're hot I think you're cool  
You're the kinda guy I'd stalk in school  
But now that I'm famous, you're up my anus  
Now I'm gonna eat you fool!

[CHORUS]

I eat boys up, breakfast and lunch  
Then when I'm thirsty, I drink their blood  
Carnivore animal, I am a Cannibal  
I eat boys up, you better run  
I am Cannibal  
I am Cannibal (I'll eat you up)  
I am Cannibal  
I am Cannibal (I'll eat you up)

Whenever you tell me I'm pretty  
That's when the hunger really hits me  
You're little heart goes pitter patter  
I want your liver on a platter  
Use your finger to stir my tea  
and for dessert I'll suck your teeth  
Be too sweet and you'll be a gonner  
I'll pull a Jeffrey Dahmer

[CHORUS]

I eat boys up, breakfast and lunch  
Then when I'm thirsty, I drink their blood  
Carnivore animal, I am a Cannibal  
I eat boys up, you better run  
I am Cannibal  
I am Cannibal (I'll eat you up)  
I am Cannibal  
I am Cannibal (I'll eat you up)

Ohohwoahohwoah [x8]

I am Cannibal  
I am Cannibal (I'll eat you up)  
I am Cannibal  
I am Cannibal (I'll eat you up)

I love you  
I warned you
