

# Domino

## Kiss

Alright

Let me tell you my story

I got a man sized predicament

And it's a big one, goes like this, yeah

My my, ow

Never had confession, never had a home

Never had no worry, until I met Domino

Ain't the virgin Mary, love her I confess

Got my hesitations 'cause she kisses like the kiss of death

Loves lots of money, back's against the wall

Calls me "Sugar daddy"

She knows, she's got me by the balls

They call her Domino

So fine

Ow

Got a reputation, haven't got a hope

It's a sticky situation, if she ain't old enough to vote

Loves to play with fire, loves to hurt so good

Loves to keep me burnin' 'cause she's a bad habit, bad habit

Bad habit that's good, good, good

They call her Domino, Domino, Domino

{Every damn time I go through that door

It's the same damn thing

That bitch over there bends over

And I forget my name, ow!}

Loves lots of money, back's against the wall

Calls me "Sugar daddy"

She knows, she's got me by the balls

Loves to play with fire, love her I confess

Got no hesitations, 'cause she's a bad habit, bad habit, bad habit
