

Get Lucky

Jermaine Stewart

VERSE 1:

I feel my time has come
I feel the winters done
I see the brighter sun
Of the summer days
And in the face I see
Someone to hold the key
You're everything I need
To hold us my desire
Aw, baby And every word you said
I feel it coming through
Who's every move you make
My heart believes in you
There'll be no turning back
Can't be no turning 'round
I'm gonna give it all
To this love I found

CHORUS:

I'm gonna get lucky
(Mmm, hmm)
I'm gonna get lucky this time
I see, I'm gonna get lucky
(Get lucky)
I'm gonna get lucky
Real love is so hard to find
I feel like that is love is mine
I'm gonna get lucky
(Hey, hey)
I'm gonna get lucky this time
Oh...oh...oh...

Yeah...VERSE 2:

With every kiss you get
I'll show this love with it
I feel my heart was deep
Say forever more
Sometimes I've been so wrong
I have to pay the price
The dizzles loneliness
Who's on the sacrifice

CHORUS:

I'm gonna get lucky

(Oh, lucky)
I'm gonna get lucky this time
Aw, babe
I'm gonna get lucky
(Get lucky)
I'm gonna get lucky
Real love is so hard to find
I feel like that is love is mineBREAKDOWN:
Oh...oh...oh...oh...
Yeah...VERSE 3:
With every tender touch
I feel the need in you
You are the one for me
My heart believes it's true
Each time I ask myself
Oh, and I be wrong
I feel it coming through
I feel it's coming strongCHORUS:
I'm gonna get lucky
(Get lucky)
I'm gonna get lucky this time
Aw, babe
I'm gonna get lucky
(Get lucky)
I'm gonna get lucky
Real love is so hard to find
I feel like that is love is mineI'm gonna get lucky
(Hey, hey)
I'm gonna get lucky this time
I feel my time has come
I can feel the winters done
I'm gonna get lucky
(Yeah)
I'm gonna get lucky
Real love is so hard to find
I feel like that is love is mineI'm gonna get lucky
I'm gonna get lucky this time
Time has come is mine
I'm gonna get lucky
(Yeah, yeah)
I'm gonna get lucky
