

# King In a Catholic Style (Wake Up)

## China Crisis

Wake up, wake up  
King in a catholic style  
With your man  
With your man make up  
And your big money business smileCut 'em up, cut 'em up  
Crucial to every child  
With a mind  
With a mind made up  
And your main man confidence smileThe residential black sea band  
They rose up out of a sinking sand  
The presidential elect man said  
For what you want take me insteadWake up, wake up  
Exercise your every right  
With your plan  
On the up and up  
And your prize money struggle in sight
