

King In a Catholic Style (Wake Up)

China Crisis

Wake up, wake up
King in a catholic style
With your man
With your man make up
And your big money business smileCut 'em up, cut 'em up
Crucial to every child
With a mind
With a mind made up
And your main man confidence smileThe residential black sea band
They rose up out of a sinking sand
The presidential elect man said
For what you want take me insteadWake up, wake up
Exercise your every right
With your plan
On the up and up
And your prize money struggle in sight
