Nightporter

Japan

Could I ever explain this feeling of love?
It just lingers on
The fear in my heart that keeps telling me
Which way to turnWe'll wander again
Our clothes they are wet
We shy from the rain
Longing to touch all the places we know we can hide
The width of a room that can hold so much pleasure insideHere am I alone again
A quiet town where life gives in
Here am I just wondering
Nightporters go
Nightporters slip awayI'll watch for a sign
And if I should ever again cross your mind
I'll sit my room and wait until nightlife begins
And catching my breath, we'll both brave the weather again
