

# Nightporter

## Japan

Could I ever explain this feeling of love?  
It just lingers on  
The fear in my heart that keeps telling me  
Which way to turn We'll wander again  
Our clothes they are wet  
We shy from the rain  
Longing to touch all the places we know we can hide  
The width of a room that can hold so much pleasure inside Here am I alone again  
A quiet town where life gives in  
Here am I just wondering  
Nightporters go  
Nightporters slip away I'll watch for a sign  
And if I should ever again cross your mind  
I'll sit my room and wait until nightlife begins  
And catching my breath, we'll both brave the weather again
