

# Wilderness

## Ra Ra Riot

Emotional  
Oh, despair  
I've had enough, gone through this whole affair  
Oh what a shame  
To misuse  
Oh, I won't lie, I see it as self-abuse

You will save your best  
I will do the same  
Through this wilderness  
Oh, wild friend, don't share the pain

I feel it's wrong  
When I complain  
A cold night all over this again  
I wanted that time  
I never could stay  
Committed though all over this I know

You will save your best  
I will do the same  
Through this wilderness  
Oh, wild friend, don't share the pain

Oh apologize  
Let it feel oh oh, oh oh  
Alive  
I don't owe enough of what's due to ya  
But I'll always hope

You will save your best  
I will do the same  
Through this wilderness  
The hole that wild friend don't share the pain
