

# Why Don't You & I (ft. Chad Kroeger)

## Santana

Since the moment I spotted you  
Like walking 'round with little wings on my shoes  
My stomach's filled with the butterflies (ooh) and it's alright  
Bouncin' round from cloud to cloud  
I got the feeling like I'm never gonna come down  
If I said I didn't like it then you'd know I'd lied  
Every time I try to talk to you  
I get tongue-tied  
Turns out that everything I say to you  
Comes out wrong and never comes out right  
So I'll say 'why don't you and I get together and take on the world  
and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and fly to the moon and straight on to heaven  
Cause without you they're never going to let me in  
Whens this fever gonna break?  
I think I've handled more than any man can take  
I'm like a love-sick puppy chasin' you around  
(Ooh)And it's alright  
Bouncin round from cloud to cloud  
I got the feeling like I'm never gonna come down  
If I said I didn't like it then you'd know I'd lied  
Every time I try to talk to you  
I get tongue-tied  
Turns out that everything I say to you  
Comes out wrong and never comes out right  
So I'll say 'why don't you and I get together and take on the world  
and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and fly to the moon and straight on to heaven  
Cause without you they're never going to let me in  
(Only second time through)  
And slowly I begin to realize this is never gonna end  
Right about the same time you walk by  
And I say 'Oh here we go again' oh  
Every time I try to talk to you  
I get tongue-tied  
Turns out that everything I say to you  
Comes out wrong and never comes out right  
So I'll say 'why don't you and I get together and take on the world  
and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and fly to the moon and straight on to heaven  
Cause without you they're never going to let me in  
So I'll say 'why don't you and I get together and take on the world  
and be together forever  
Heads we will and tails we'll try again  
So I say why don't you and I hold each other and fly to the moon and straight on to heaven

Cause without you they're never going to let me in
