

# Selene

## Endive

To the top of all the world  
To the tasteless underworld  
To the center of your heart, oh Cleopatra is the only one you loved  
To the demonstrated smile  
To the lonely love child  
Destination desolation, tell me when you reach the brink of life  
Just a picture on your wall  
That's nice, what a metaphoric fall  
Typically, I was a validation on your sleeve  
Oh what an indication  
To the center of the pain  
Through your tattered window pane  
To the middle of your heart

Resolutions and lovers in the kitchen  
Love is clueless and destiny is wishing  
This is my heart, it's on the line, Selene

This is not what I expect, this is not what I expect  
I can see it in your tears and now they're crowning me the Caesar  
Typically, I was a validation on your sleeve  
Oh what an indication  
To the center of the pain  
Through your tattered window pane  
To the middle of your heart

Resolutions and lovers in the kitchen  
Love is clueless and destiny is wishing  
This is my heart, it's on the line, Selene

This is my heart, it's on the line,  
This is my heart, it's on the line,  
This is my heart, it's on the line, Selene

Resolutions and lovers in the kitchen  
Love is clueless and destiny is wishing  
This is my heart, it's on the line, Selene
