

# How Can I Face Tomorrow

[Patsy Cline](#)

Tonight alone I'm thinkin'  
Of the things we used to do  
There's laughter all around me  
But my heart still aches for you  
The wedding bells are ringing  
But to me their chimes are blue  
How can I face tomorrow  
When I know I'm losin' you?  
The dreams we shared  
Have all been torn apart  
It's your wedding day  
But I can't claim your heart  
Now someone else will hold you  
Just the way I use to do  
How can I face tomorrow  
When I know I'm losin' you?  
The dreams we shared  
Have all been torn apart  
It's your wedding day  
But I can't claim your heart  
Now someone else will hold you  
Just the way I use to do  
How can I face tomorrow  
When I know I'm losin' you?
