Undressed

Brandy Kills

Each and every day, each and every single day
People wanna tell me what to do
But I don't really care I do never really care
'Cause I'm looking out for something new
And I know you know all we're gonna do
Is we're making our dream come true
And I know you know all we're gonna do
Is we're living our lives the way we want to
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right to do it
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right, let's do it
Yeah yeah yeah yeah
Yeah yeah yeah yeah
Pretty like a pearl, do you wanna see my world?
I do everything I wanna do
And when you're going there then you better be aware
I know I'm looking like your dream come true
And I know you know all we're gonna do
Is keep on bouncing around forever
And I know you know all we're gonna do
Is not wasting our time, it's now or never
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right to do it
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right, let's do it
Do it to me, give it to me, ooh
Give it to me, do it to me
Give it to me, do it
Baby, baby, baby, baby
When do we get undressed?

I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right to do it
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right, let's do it
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right to do it
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right, let's do it
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right to do it
When do we get undressed?
I don't wanna wait, baby, let's get started
When do we get undressed?
Boy, I wanna know when the time is right, let's do it
Yeah yeah yeah yeah
Yeah yeah yeah yeah
Yeah yeah yeah yeah
Yeah yeah yeah yeah
Yeah yeah yeah yeah
