# Are You Ready?

## Graham Coxon

Are you ready to retrieve
All of what you once believed?
Are you ready to let go?
Are you ready to be free?
Are you ready to be low?Are you shopping for high heels
In a dress that show your knees?
Have you painted up your lips?
Are you getting what you need?
Are you happy on your own?Are you really happy in his shaking arms?Happiness is only fleeting
Love is no more than a lie
If hearts are only good for cheating
Life is nothingAre you pacing throught the streets
Till you just can't feel your feet?
When the people look at you
Can they see right the way through?
Are you thinking that they know?Were you ever happy in his shaking arms?
