Love Don't Let Me Down

Chris Young

Chris
I've been a hard man
Been a lonely man
Been around the world and back again
My kind of freedom was always leavin'
And I thought hearts were just for stealin'
Then I saw the light in your eyes this morning
And somehow I knew
I was gonna take a chance with you
Try to see this through
So I'll be hopin you
Both:
Don't let me down
Love don't let me down
Patty
Been on the bad side of a lotta goodbyes
Sometimes it felt like I was out of tears to cry
So for my own sake I put my heart away
Thought I'd try again on some sunny day
Then I saw the light in your eyes this morning
And somehow I knew
I was gonna take a chance with you
Try to see this through

So I'll be hopin you
Both:
Don't let me down
Love don't let me down
Chris
Lets make a promise we can believe in tonight
Patty
Give me your heart and I'll give you mine
Don't let me down
Love don't let me down
Love don't let me down
Chris
I've been a hard man
Been a lonely man
Been around the world

(Both)Don't let me down
Patty
Been on the bad side of a lotta goodbyes
(Both)Love don't let me down
No love don't let me down
