Miseryâ€™s Crown

Dark Tranquillity

All has now been broken
On streets I dare not walk
Freedom is an illusion
I build my fences high
If there was something out there
I've learned not to expect
There's a hundred million reasons
Not to careDon't bring it
Don't bring it
Don't bring your misery down on meDon't bring it
Don't bring it
Don't bring your misery down on me
Wear misery's crownAs always in these matters
You broke the deal of deals
And wasted what was given
To revel in your mess
I gave up all for nothing
I tried my best and failed
There's a thousand million reasons

Don't bring your misery down on me
Wear misery's crownThis is how it all beginsCome now
Come now
Come nowDon't bring it
Don't bring it
Don't bring your misery down on meDon't bring it
