Jack the Ripper

The Gruesomes

She wore a pink sweater
I'd never seen her better than this
Then we kissed and I cut myself open
And I never,
Ever loved another like this
It was bliss, as she said with a smile
Ooh, ooh, ooho
I'm gonna die a believer
Bulletproo-oo-oo-oo-oo-oof
Ooh, ooh, ooho
I'm gonna die a believer
Bulletproo-oo-oo-oo-oo-oof
Now I'll be winter and you'll be content
I cut like Jack the Ripper
So believe me when the boy sings
Ooh, ooh, ooho
I'm gonna die a believer
Ooh, ooh, ooho
I'm gonna die a believer
Rock solid,
I can taste the fear in the air
In her hair, in her lipstick, her screams
And I never loved another like this
It was bliss, till she said I was vile
Now I'll be winter and you'll be content
I cut like Jack the Ripper
So believe me when the boy sings
Ooh, ooh, ooho
I'm gonna die a believer
Bulletproo-oo-oo-oo-oo-oof

Dance like a stripper
It's money well spent
I swing like Jack the Ripper
So believe me when the boy sings
Ooh, ooh, ooho
I'm gonna die a believer
Bulletproo-oo-oo-oo-oo-oof
Oo,oo, oo, oof

HEY!
OH!
HEY!
OH!
HEY!
OH!
HEY!
OH
Rock solid
I can see you down on your knees
Begging please
With your damn you's and thank you's
And I never,
Ever loved another like this
It was bliss, like we're going out of style
Ooh, ooh, ooho
I'm gonna die a believer
Bulletproo-oo-oo-oo-oo-oof
Ooh, ooh, ooho
I'm gonna die a believer
Ooh, ooh, ooho
I'm gonna die a believer
Ooh, ooh, ooho
I'm gonna die a believer
Bulletproo-oo-oo-oo-oo-oof
