

# Secret Land

## Building Castles Out Of Matchsticks

I remember, leaves were fallin' down  
In St. Germain  
It was a cold November  
You went away and I got a dream  
Nobody knows who I am  
Maybe you would understand  
Anybody knows what I am  
Out in a secret land  
Nobody knows how I try  
Not to tell another lie  
Anybody knows in the end  
I'll find a secret land  
I need you, I feel you  
I can't life without you so long  
I know that we parted  
I'll stay in this town 'cause I miss you so  
I feel it, I mean it  
The secret that I'm gonna show  
And I turn back, I see that  
All my love had to fail but I miss you so  
Nobody knows who I am  
Maybe you would understand  
Anybody knows what I am  
Out in a secret land  
Nobody knows how I try  
Not to tell another lie  
Anybody knows in the end  
I'll find a secret land  
Nobody knows who I am  
Maybe you would understand  
Anybody knows what I am  
Out in a secret land  
Nobody knows how I try  
Not to tell another lie  
Anybody knows in the end  
I'll find a secret land  
I need you, I feel you  
I can't life without you so long  
'Cause I miss you so  
Nobody knows who I am  
Maybe you would understand  
Anybody knows in the end  
I'll find a secret land  
Nobody knows who I am  
Maybe you would understand  
Anybody knows what I am  
Out in a secret land  
Nobody knows how I try  
Not to tell another lie  
Anybody knows in the end  
I'll find a secret land  
Nobody knows who I am

Maybe you would understand  
Anybody knows what I am  
Out in a secret landNobody knows how I try  
Not to tell another lie  
Anybody knows in the end  
I'll find a secret landNobody knows who I am  
Maybe you would understand  
Anybody knows what I am  
Out in a secret landNobody knows how I try
