George Of The Jungle

"Weird Al" Yankovic

George, George, George of the jungle
Strong as he can be
Ah, watch out for that treeGeorge, George, George of the jungle
Lives a life that's free
Ah, watch out for that treeWhen he gets in scrapes
When he makes his escapes
With the help of his friend
An ape named ApeThen away he'll schlep
On his elephant Shep
While Fella and Ursula
Stay in step withGeorge, George, George of the jungle
Friend to you and me
Ah, watch out for that treeWatch out for that tree
George, George, George of the Jungle
Friend to you and me
