

Warning

Green Day

This is a public service announcement, this is only a test
Emergency evacuation, protest
May impair your ability to operate machinery Can't quite tell just what it means to me
Keep out of reach of children, don't you talk to stranger
Get your philosophy bumper from a sticker Warnin', live without warnin'
I say, "Warnin', live without warnin'"
Without, alright Better homes and safety self communities
Did you remember to pay the utility?
Caution police line you better not cross Is it the cop or am I the one that's really dangerous?
Sanitation, expiration date, question everything
Or shut up and be a victim of authority Warnin', live without warnin'
I say, "Warnin', live without warnin'"
I say, "Warnin', live without warnin'"
I say, "Warnin', live without warnin'"
Without, alright Better homes and safety self communities
Did you remember to pay the utility?
Caution police line you better not cross Is it the cop, or am I the one that's really dangerous?
Sanitation, expiration date, question everything
Or shut up and be a victim of authority Warnin', live without warnin'
I say, "Warnin', live without warnin'"
I say, "Warnin', live without warnin'"
I say, "Warnin', live without warnin'" This is a public service announcement, this is only a test
