Jesus Doesn't Love Me

Dragonette

Spent my way doing rock and roll
Jesus doesn't love me anymore
Don't do much of what I've been told
Jesus doesn't love me anymore
Drugs, sex, rock and roll
Drugs, sex, rock and roll
Drugs, sex, rock and roll
Drugs, sex, rock and roll
Wash me
God i wanna get this off me
If you wanna love me, scrub me
Say a little prayer for me (pray for me)
Gotta little bit of dirty down in my soul
Jesus doesn't love me anymore
Sinnin' for a livin's really taking its toll
Jesus doesn't love me anymore
Drugs, sex, rock and roll
Drugs, sex, rock and roll
Drugs, sex, rock and roll
Drugs, sex, rock and roll
Wash me
God I wanna get this off me
If you wanna love me scrub me
Say a little prayer for me (pray for me)
Wash me
God I wanna get this off me

If you wanna love me scrub me
Say a little prayer for me (pray for me)
Love me anymore
Love me anymore
Wash me
Get this off me
Wash me
Get this off me (love me anymore)
Wash me
Get this off me (love me anymore)
Jesus doesn't love me anymore
Ugh I'm really good on the inside

Oh god why did I lie
I promise
Cross my heart
Hope to die
Need another try to
Get it off me
God I wanna get this off me
If you wanna love me scrub me
Say a little prayer for me
Wash me
God I wanna get this off me
If you wanna love me scrub me
Say a little prayer for me
Little bit of dirty down in my soul!
