Jesus Doesn't Love Me

Dragonette

Spent my way doing rock and roll
Jesus doesn't love me anymore
Don't do much of what I've been told
Jesus doesn't love me anymore

Drugs, sex, rock and roll

Wash me

God i wanna get this off me

If you wanna love me, scrub me

Say a little prayer for me (pray for me)

Gotta little bit of dirty down in my soul

Jesus doesn't love me anymore

Sinnin' for a livin's really taking its toll

Jesus doesn't love me anymore

Drugs, sex, rock and roll

Wash me

God I wanna get this off me

If you wanna love me scrub me

Say a little prayer for me (pray for me)

Wash me

God I wanna get this off me

If you wanna love me scrub me Say a little prayer for me (pray for me)

Love me anymore

Love me anymore

Wash me

Get this off me

Wash me

Get this off me (love me anymore)

Wash me

Get this off me (love me anymore)

Jesus doesn't love me anymore

Ugh I'm really good on the inside

Oh god why did I lie
I promise
Cross my heart
Hope to die
Need another try to
Get it off me
God I wanna get this off me
If you wanna love me scrub me
Say a little prayer for me
Wash me
God I wanna get this off me
If you wanna love me scrub me
Say a little prayer for me
Little bit of dirty down in my soul!
