

# Gone, Gone, Gone

Phillip Phillips

When life leaves you high and dry  
I'll be at your door tonight if you need help, if you need help  
I'll shut down the city lights,  
I'll lie, cheat, I'll beg and bribe to make you well, to make you well  
When enemies are at your door I'll carry you away from war  
If you need help, if you need help  
Your hope dangling by a string  
I'll share in your suffering to make you well, to make you well Give me reasons to believe that you would do the same for me And I would do it for you, for you  
Baby I'm not moving on  
I'll love you long after you're gone  
For you, for you  
You will never sleep alone  
I'll love you long after you go  
And long after you're gone gone gone When you fall like a statue  
I'm gon' be there to catch you  
Put you on your feet, you on your feet  
And if your well is empty  
Not a thing will prevent me  
Tell me what you need, what do you need I surrender honestly  
You've always done the same for me So I would do it for you, for you  
Baby I'm not moving on  
I'll love you long after you're gone  
For you, for you  
You would never sleep alone  
I'll love you long after you're gone  
And long after you're gone gone You're my back bone, you're my cornerstone  
You're my crutch when my legs stop moving  
You're my headstart, you're my rugged heart  
You're the pulse that I've always needed  
Like a drum baby don't stop beating  
Like a drum baby don't stop beating  
Like a drum baby don't stop beating  
Like a drum my heart never stops beating For you, for you  
Baby I'm not moving on  
I'll love you long after you're gone  
For you, for you  
You would never sleep alone  
I'll love you long after you're gone

For you, for you  
Baby I'm not moving on  
I'll love you long after you're gone  
For you, for you  
You would never sleep alone  
I'll love you long, long after you're gone  
Like a drum baby don't stop beating  
Like a drum baby don't stop beating  
Like a drum baby don't stop beating  
Like a drum my heart never stops beating for you  
And long after you're gone gone gone  
I love you long after you're gone gone gone
