With Every Heartbeat

Kleerup with Robyn

Maybe we can make it alright
We could make it better sometime
Maybe we can make it happen baby
We could keep trying but things will never change
So I don?t look back
Still I?m dying with every step I take
But I don?t look back
Just a little little bit better
Good enough to waste some time
Tell me, would it make you happy baby?
We could keep trying but things will never change
So I don?t look back
Still I?m dying with every step I take
But I don?t look back
We could keep trying but things will never change
So I don?t look back
Still I?m dying with every step I take
But I don?t look back
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
And it hurts with every heartbeat
