Against All Odds

Linda Eder

How can I just let you walk away
Just let you leave without a trace
When I stand here taking every breath with you
You're the only one who really knew me at allHow can you just walk away from me
When all I can do is watch you leave
'Cause we've shared the laughter and the pain
And even shared the tear
You're the only one who really knew me at allSo take a look at me now
'Cause there's just an empty space
There's nothing left here to remind me
Just the memory of your faceSo take a look at me now
'Cause there's just an empty space
And you coming back to me is against the odds
And that's what I've got to faceI wish I could just make you turn around
Turn around and see me cry
There's so much I need to say to you
So many reasons why
You're the only one who really knew me at allSo take a look at me now
And there's just an empty space
There's nothing left here to remind me
Just the memory of your faceSo take a look at me now
'Cause there's just an empty space
But to wait for you is all I can do
And that's what I've got to faceTake a good look at me now
'Cause I'll still be standing here
And you coming back to me is against all odds
That's the chance I've got to take
Oh, take a look at me now
