

Sleeping With the Enemy

Kylie Minogue

I don't think you know that I hear you
That you've been talking in your sleep
You've been saying crazy things yeah
As it all unfolds I get a clear view
Of what you've been doing to me
You've been lying through you're teeth
And it makes me want to screamIt's like I don't know who you are
 Feels like a dagger in my heart
 Suddenly now it seems
 I'm sleeping with the enemy
 Can't stop replaying the words you said
 You're like a stranger in my bed
 Suddenly now it seems
I'm sleeping with the enemyWhat is it she does that I don't do
 Is she far more beautiful
 Does she make you feel at home
 Was it not enough, that I love you
 But you've been giving her your kiss
 And it almost makes me sick
That I have to hear like thisIt's like I don't know who you are
 Feels like a dagger in my heart
 Suddenly now it seems
 I'm sleeping with the enemy
 Can't stop replaying the words you said
 You're like a stranger in my bed
 Suddenly now it seems
 I'm sleeping with the enemy
