Back to You

Clams Casino

You lied like the ones before you
I call them all the men I left behind
Thoughts of you surround me
Those days are gone but you stay in my mindI come back to you
I always come back to you
I come back to you
Like a memory of something that you lost too soon
I always come back to you
My memories all betray you
I learnt to build a better design
All the time looking for you
Close my eyes, fade away to a happier timeI come back to you
I always come back to you
I come back to you
All the songs that come alive in an empty room
I always come back to you
I come back to you
I always come back to you
I come back to you
Like a memory of something that you lost too soonThoughts of you surround me, surround me
Close my eyes, close my eyes, fade away to a happier time
