

One Will (Live In Tokyo, Japan)

Halford

I see the gods in the arena
They stand beneath the blinding lights
The roar becomes a deafening silence
In reverence before the fight One will live tonight
One will die tonight
One will stand and
One will fall One in victory
One in misery
Only one will take it all Then all at once begins the rumble
A mass of body hits the floor
Locked in a battle strength and honor
Blood, sweat and tears becomes the score One will live tonight
One will die tonight
One will stand and
One will fall One in victory
One in misery
Only one will take it all
