One Step Too Far

Rhythms del Mundo

You can sleep forever
But still you will be tired
You can stay as cold as stone
But still you won't find peace
With you I feel I'm the meek leading the blind
With you I feel I'm just spending wasting time

I've been waiting
I'm still waiting
I've been waiting
I've been waiting
I've been waiting
I'm still waiting
I'm with you (with you)
Its always one step too far
One step too far

You can walk too far
But still you won't be found
You can look down on the world
But still you won't find love
You won't find love

Only with mellow
Are you thin enough to slide through.
If the sun or the moon should give way to doubt
They would immediately go out
One swallow don't make a summer
But tomorrow has to start somewhere
Only with mellow
Are you thin enough to slide through
Only with mellow
Are you thin enough to slide through
Don't Let nothing ride you
Only with mellow
Are you thin enough to slide through
Don't Let nothing ride you
One swallow don't make a summer

I've been waiting

I'm still waiting
I've been waiting
I've been waiting
I've been waiting
I'm still waiting
I'm with you (with you)
It's always one step too far
One step too far
