

Since I Met You Baby

[Sam Cooke](#)

Since I met you baby
My whole life has changed
Since I met you baby
My whole life has changed
Oh and all my friends tell me
That I'm not the same

Let me tell you, since I met you baby
Oh I'm a happy man, a happy man
Since I met you baby
Oh, looks like I'm a happy man
And I'm gonna try and please you
In every, in every, in every way that I can

Let me tell you, I don't need nobody
To tell my troubles to, to tell my troubles to, no no
I don't need nobody
To tell my, to tell my, to tell my, to tell my troubles to
Oh, 'cause since I met you baby
All I need, all I need, all I need is you

Oh, pretty baby
Mmm-hmm
You know I love you baby
I love you better than I do myself
Oh yeah
You know I love you honey
You know I love you better than I do myself now
Mmm-hmm
And oh, when I'm with you I don't need nobody else now

Love me in the mornin'
You gotta love me late at night, late at night, I want you to love me late at night
Love me in the mornin'
Oh, love me, love me, love me, love me, love me, love me late at night
And oh when you love me baby
I know everything, everything is alright
