

You're a Heavenly Thing

Louis Armstrong

Told me, darling, that you had to go
Done take your money, I don't care no more
I know you're happy, try to get along Money won't change you
Money won't change you
Money won't change you
But time will take you on
Lookie here If everybody had once been hurt
Then you know how it mean to be treated like dirt
Go ahead, baby, tell the world
That you're my woman and my only girl Money won't change you
Money won't change you
I said, "Money won't change you
But time will take you on" I [Incomprehensible] you're happy
[Incomprehensible] know you're happy
And now you're gone Money won't change you
Money won't change you, mama
Money won't change you
I said, "Money won't change you
But time will take you on" Lookie here, lookie here
Look here I said, "One time, one time"
Oh, yeah, hold out, hold out
Hold out, hold it, slow it down, hold on Get it, get it, get it, get it
Get it, get it, get it, get it
Get it, get it, get it, get it
Get it, get it Get on up, get on up
Get on up, get on up
Come on, baby
Come on, baby Everybody stand up
Everybody stand up
Raise your hands
Raise your hands
