

Mamma Ocean

[Kai Altair](#)

There's a hole in my soul that's lost at sea
And I don't know where to go, or how to be
I could never take my heart from thee
You're in my wine, you're in my blood, you're all I weep

Oh Mamma Ocean, Oh Mamma Ocean, Oh Mamma Ocean
Mamma Oceana, Ocean
Mamma Oceana, Ocean

I try to walk, I try to talk, I try to swim
And you don't know what I have done, and where I've been
I can never find my way back in
So far apart from where you are, from all I am

Oh Mamma Ocean, Oh Mamma Ocean, Oh Mamma Ocean
Mamma Oceana, Ocean
Mamma Oceana, Ocean

But I come from you, and I go back to you
Come, come, come from you, and I go back to you

Oh Mamma Ocean, Oh Mamma Ocean, Oh Mamma Ocean
Mamma Oceana, Ocean
Mamma Oceana, Ocean
