Spaced Out

Cerebral Sound Propagation

Uh, oh, oh, eee, oh, ee, ohh
Uh, oh, oh, eee, oh, ee, ohh
Uh, oh, oh, eee, oh, ee, ohh
Uh, oh
Babe, I'm doin' my thing
I just be doin' me
You confused by my thing
But I'm just doin' me
You can do your own thing but you keep watchin' me
You keep on stalkin' me
You got both eyes on me
You can do your own thing, just march to your own beat
That's how I got so fly
What I'm doin' is all me
And if you hate it I don't care, I don't care, care
And if you hate it I don't care, I don't care, care
And ooh, I think you like my drum
Can you hear my beat?
You love it 'cause it's me
And I'm spaced out
I march to my own beat
You rockin' to my beat
Yeah, you love my drum
Salute me, I'm head of my army
Yeah, I'm me but it works cause I'm so damn unique
I'm a headbox and like it, order to get fit?
Got to space out, space out, space out
Take your mind off everybody else
Came in this world alone, you will leave here by yourself
That's why I don't care bout who don't like what I do
I just do me, do me, do me
And ooh, I think you like my drum
Can you hear my beat?
You love it 'cause it's me
And I'm spaced out
I march to my own beat
You rockin' to my beat
Yeah, you love my drum
And ooh, I think you like my drum

Can you hear my beat?
You love it 'cause it's me
And I'm spaced out
I march to my own beat
You rockin' to my beat
Yeah, you love my drum
You, you, you love my drum
You, you, you love my drum
You, you, you love my drum
You, you, you love my drum
You, you, you love my drum
You, you, you love my drum
You, you, you love my drum
You, you, you love my drum
I'm spaced out, spaced out,
I'm spaced out, I march to my own beat
I'm spaced out, spaced out,
I'm spaced out, I march to my own beat
I'm spaced out, spaced out,
I'm spaced out, I march to my own beat
I'm spaced out, spaced out,
I'm spaced out, I march to my own beat
And ooh, I think you like my drum
Can you hear my beat?
You love it 'cause it's me
And I'm spaced out
I march to my own beat
You rockin' to my beat
Yeah, you love my drum
And ooh, I think you like my drum
Can you hear my beat?
You love it 'cause it's me
And I'm spaced out
I march to my own beat
You rockin' to my beat
Yeah, you love my drum
You love my drum
