Letting You Go

Julia Price

Iâ€™m not looking for love tonight
Iâ€™m looking for someone who can take you off my mind
So give me Jack and Coke
And someone I donâ€™t know
â€˜Cause I need to numb everything inside

I want him gone when I wake up
Wont remember his name or where heâ€™s from
The only thing I need
Is a new scent on my sheets
To cover yours up, up

CHORUS:
I am giving up this fight
Iâ€™ve made up my mind, Iâ€™ve made up my mind
There is nothing left to hold
Iâ€™m letting you go, Iâ€™m letting you go, Iâ€™m letting you go

Broken movie in my mind
Replaying each scene line by line
Well every single day
Iâ€™m left to sit and wonder why you changed
You changed

CHORUS:
I am giving up this fight
Iâ€™ve made up my mind, Iâ€™ve made up my mind
There is nothing left to hold
Iâ€™m letting you go, Iâ€™m letting you go, Iâ€™m letting you go

Cigarette stains on your coat
The things you told me â€“ nobody else knows
Well I still have your back
You took the chains off me and showed me how to love free
Now youâ€™re gone
What am I supposed to do, supposed to do with that?

CHORUS:
I am giving up this fight
Iâ€™ve made up my mind, Iâ€™ve made up my mind

There is nothing left to hold
Iâ€™m letting you go, Iâ€™m letting you go, Iâ€™m letting you go
