

Power Of The Cross

Natalie Grant

Once in darkness now in light

Once blind now you see

Once a sinner now a saint

Once bound now free.

CHORUS:

That's the power of the Cross See the chains fall

That's the power of the Cross See the chains fall

Once a stranger now a child

Empty now filled

Once condemned now reconciled

Broken now healed

CHORUS:

That's the power of the Cross

See the chains fall

That's the power of the Cross

See the chains fall

Once a prodigal now home

Once lost now found

Once and enemy now a friend

Once poor now crowned

CHORUS:

That's the power of the Cross See the chains fall

That's the power of the Cross See the chains fall

See the chains

See your chains fall

See the chains

See your chains fall!!!!
