

The Great Unknown (feat. Hale)

Sarah Geronimo

The Great Unknown
Here I am
Sitting on the floor
Wondering what it is I'm looking for
Waiting for, waiting for a sign
A sign that I am yours and you are mine
The glowing shimmer of your summer skin
And the sun shines brightly on your eyes
Treading lightly, where do I begin
Stars align with your doe-eyed smile
My souls alight with your secret smile
You've been on my mind
Sealed, delivered and signed
Scared of the fall
Do I risk it all
Or maybe I'm afraid of the great unknown
You woke me up
And knocking at my door
Wondering why you're here
Or what's in store
I heard a sound
The sound of your voice, so tender and serene
Apart from this noise.
The glowing shimmer of your summer skin
And the sun shines brightly on your eyes
Treading lightly, where do I begin
Stars align with your doe-eyed smile
My souls alight with your secret smile.
You've been on my mind
Sealed, delivered and signed
Scared of the fall
Do I risk it all
Or maybe I'm afraid of the great unknown
Or maybe I'm afraid of the great unknown.
You've been on my mind.
sealed, delivered and signed
You've been on my mind
sealed, delivered and signed
Scared of the fall
Do I risk it all
Maybe I'm afraid,
Oh maybe I'm afraid,
Oh maybe I'm afraid of the great unknown.
Here I am
Sitting on the floor
Wondering what it is I'm looking for.
