

# Don't Piss Me Off

David Lee Roth

You know I'd never lie to ya, baby don't get me wrong  
And though I wasn't true to ya, baby don't get me wrong  
'Cause satisfyin' you is the thing that gets me off I do a lot of thinkin', some I shouldn't think about  
Just a little somethin', you know I can't live without  
Gotta fever that's burnin', you just can't slow me down Don't piss me off, don't cool me down  
I've been lied to, from town to town  
You got somethin' that just blows my top  
Hey now baby well you drivin' me crazy  
When it comes to your love now I ain't a bit lazy Baby don't you worry, you ain't gotta play no fool  
Just a little lovin' is all I need from you  
Never met nobody 'makes me feel the way you do Don't piss me off, don't cool me down  
I've been lied to, from town to town  
You got somethin' that just blows my top  
Hey now baby well you drivin' me crazy  
When it comes to your love now I ain't a bit lazy Talkin' dirty, dressin' clean, dancin' nasty by the record  
machine  
Do the walk, love to ball, just one look I believe that's all  
Little girl loves to boogie woogie, looks so fine like some sweet suger  
Destination is on the floor, give it up just a little bit more  
Hey baby can I be excused, I can't take no more Don't piss me off, don't cool me down  
I've been lied to, from town to town  
You got somethin' that just blows my top  
Hey now baby well you drivin' me crazy  
When it comes to your love now I ain't a bit lazy Don't piss me off, don't cool me down  
I've been lied to, from town to town I can't take no more  
You're not that kind of girl  
I can't take no more
