

Daniel (feat. Youthstar)

Deluxe

Ladies and gentlemen
How's everybody doin this evening?
Allow me to introduce myself, Youthstar
And this is the Deluxe family show
So girls and boys!
I wanna see you get off your seatbacks and roll this on
Let's get it on! God the lady's gossip the morning after grim
[...] every loony's god damn funky tutsa ice cream
Did you know now, what has been a show now
Aren't you with birthday boy or borrowed by his dream team
The facts [...] break out to me
[...] party party
I'd like to mighty naughty
With my birthday pretty lady
Lose the time to disagree now [...] out of my brain
The day is bad too [...] for me
I swear I tried my best to seem
You can't change dear
[...] out of this box
You want me to change now
In my modern hot
